Bull

The unique characteristic of this article is the “leather aspect” together with the pleasant handfeel of fabric.

The backing of Bull exists out of 100% recycled leather fibres. Leather leftovers are ground by a shredder and after a special process flocked on a knitted microfiber. This unique leather fibre backing creates this special, comfortable and thick grip.

The top layer is a knitted microsuede with a leather print and an embossing. Bull has also been finished with a damp and dirt prevented treatment.

Through daily use this “used aspect” will become more visible, this has no further influence on the quality or durability of this fabric.
